

LIST OF PRESELECTED CANDIDATES

- This list includes the candidates initially preselected from the recruitment process in the framework of the IMPROVE-PD project.
- This list is not a ranking. The reference number corresponds to the order of registration of the application form.
- Only 15 candidates from this list will be finally selected to become Early Stage Researchers of the IMPROVE-PD project.
- If any of the 15 ESR projects is interested in a candidate, the corresponding Principal Investigator will contact directly the candidate to obtain more information and arrange a possible interview (online or face-to-face)
- Most of the interviews will be conducted in July 2019.
- The employment contracts will be signed from July to September 2019.
- The final list of candidates selected will be published on the website by September-October 2019.
